Subject: FW: Congressional Response Needed on UIC Issue

Sadie: In the spirit of maintaining a collaborative relationship with our state UIC program partners, I offered to send copies of these correspondence to WOGCC concerning the Encana AE issue we addressing with their assistance. These are the letter we received from Senator Enzi (with attached letter from Mr. Fenton) we are responding to, and an earlier letter from Mr. Fenton addressed to you.

DPP

Please let me know.

Douglas K. Minter
UIC Team Leader

Douglas,

This is my Draft Email for Tom Kropatsch. Let me know what you would like me to change.
